with two different methods the details of which are given below. Both procedures can be diversified with personalized methods. For this reason, men who have a request for penis enlargement should know that more than one procedure or a combination of these Fuck_Fuck can be performed according to their anatomical structures. What is Penis Enlargement Surgery? Penis enlargement surgery is an operation that increases the self-confidence of men and opens the doors to a healthy sexual life. We offer high quality services in the field of male genital aesthetics with techniques specific to our clinic. Sexuality and

Basic Instinct Sexuality is a phenomenon involving complex relationships between couples and basic reproductive instincts. Having a large penis has promised potency and better sex life since ancient times. Anatomically, the structure that provides orgasm in women is the clitoris. The clitoris is not only female external genitalia as people perceive it. The clitoris has legs similar to the penile corpus cavernosum. The movement of these legs basically

provides orgasm in women. This part of the clitoris is located in the first cm of the vagina. In fact, an cm penis would be enough when erected for these legs to move. But as we just mentioned, sexuality is a very complex structure and anatomical explanations alone will not suffice. A longer and thicker penis can be more attractive to many women. Penis consists of parts: the inner part and the outer part. Each of which is called the crus and

is [Fuck](#) attached [Fuck](#) to [Fuck](#) the [Fuck](#) pelvis [Fuck](#) by [Fuck](#) ligaments [Fuck](#) It [Fuck](#) is [Fuck](#) not [Fuck](#) possible [Fuck](#) to [Fuck](#) extend [Fuck](#) both [Fuck](#) parts [Fuck](#) with [Fuck](#) surgical [Fuck](#) methods [Fuck](#) However [Fuck](#) it [Fuck](#) is [Fuck](#) possible [Fuck](#) to [Fuck](#)

make [Fuck](#) the [Fuck](#) penis [Fuck](#) appear [Fuck](#) longer [Fuck](#) by [Fuck](#) making [Fuck](#) the [Fuck](#) inner [Fuck](#) part [Fuck](#) of [Fuck](#) the [Fuck](#) penis [Fuck](#) protrude [Fuck](#) or [Fuck](#) by [Fuck](#) manipulations [Fuck](#) that [Fuck](#) will [Fuck](#) make [Fuck](#) the [Fuck](#) outer [Fuck](#) part [Fuck](#) appear [Fuck](#) larger [Fuck](#) Penis [Fuck](#) Enlargement [Fuck](#) Methods [Fuck](#) If [Fuck](#) we [Fuck](#) explain [Fuck](#) the [Fuck](#) techniques [Fuck](#) in [Fuck](#) detail [Fuck](#) Cutting [Fuck](#) the [Fuck](#) Suspensory [Fuck](#) Ligament [Fuck](#) The [Fuck](#) suspensory [Fuck](#) ligament [Fuck](#) is [Fuck](#) the [Fuck](#) name [Fuck](#) given [Fuck](#) to [Fuck](#) the [Fuck](#) ligament [Fuck](#) that [Fuck](#) suspends [Fuck](#) the [Fuck](#) penis [Fuck](#) to [Fuck](#) the [Fuck](#) pelvis [Fuck](#) The [Fuck](#) penis [Fuck](#) is [Fuck](#) connected [Fuck](#) to [Fuck](#) the [Fuck](#) anterior [Fuck](#) abdominal [Fuck](#) wall [Fuck](#) by [Fuck](#) the [Fuck](#) fundiform [Fuck](#) ligament [Fuck](#) and [Fuck](#) the [Fuck](#) pelvis [Fuck](#) by [Fuck](#) the [Fuck](#) suspensory [Fuck](#) ligament [Fuck](#) These [Fuck](#) ligaments [Fuck](#) allow [Fuck](#) the [Fuck](#) penis [Fuck](#) [Fuck](#) [Fuck](#) [Fuck](#) [Fuck](#) [Fuck](#) to [Fuck](#) [Fuck](#) [Fuck](#) [Fuck](#) [Fuck](#) [Fuck](#) [Fuck](#) point [Fuck](#) [Fuck](#) [Fuck](#) [Fuck](#) [Fuck](#) [Fuck](#) [Fuck](#) [Fuck](#) upward [Fuck](#) during [Fuck](#) an [Fuck](#) erection [Fuck](#) With [Fuck](#) the [Fuck](#) cutting [Fuck](#) of [Fuck](#) these [Fuck](#) ligaments [Fuck](#)

the [Fuck](#) inner [Fuck](#) part [Fuck](#) of [Fuck](#) the [Fuck](#) penis [Fuck](#) protrudes [Fuck](#) and [Fuck](#) approximately [Fuck](#) cm [Fuck](#) elongation [Fuck](#) is [Fuck](#) achieved [Fuck](#) Since [Fuck](#) the [Fuck](#) penis [Fuck](#) will [Fuck](#) be [Fuck](#) more [Fuck](#) horizontal [Fuck](#) while [Fuck](#) erect [Fuck](#) the [Fuck](#) penis [Fuck](#) appears [Fuck](#) a [Fuck](#) little [Fuck](#) longer [Fuck](#) During [Fuck](#) the [Fuck](#) surgery [Fuck](#) of [Fuck](#) the [Fuck](#) ligament [Fuck](#) should [Fuck](#) be [Fuck](#) cut [Fuck](#) and [Fuck](#) the [Fuck](#) penis [Fuck](#) should [Fuck](#) be [Fuck](#) completely [Fuck](#) released [Fuck](#) It [Fuck](#) is [Fuck](#) very [Fuck](#) important [Fuck](#) not [Fuck](#) to [Fuck](#) damage [Fuck](#) the [Fuck](#) blood [Fuck](#) vessels [Fuck](#) in [Fuck](#) the [Fuck](#) back [Fuck](#) of [Fuck](#) the [Fuck](#) penis [Fuck](#) It [Fuck](#) is [Fuck](#) a [Fuck](#) risk [Fuck](#) free [Fuck](#) surgery [Fuck](#) when [Fuck](#) performed [Fuck](#) by [Fuck](#) experienced [Fuck](#) hands [Fuck](#) Pubic [Fuck](#) Liposuction [Fuck](#) The [Fuck](#) fat [Fuck](#) tissue [Fuck](#) in [Fuck](#) the [Fuck](#) upper [Fuck](#) part [Fuck](#) of [Fuck](#) the [Fuck](#) penis [Fuck](#) causes [Fuck](#) the [Fuck](#) penis [Fuck](#) to [Fuck](#) be [Fuck](#) buried [Fuck](#) This [Fuck](#) condition [Fuck](#) is [Fuck](#) called [Fuck](#) a [Fuck](#) buried [Fuck](#) penis [Fuck](#) Buried [Fuck](#) penis [Fuck](#) is [Fuck](#) more [Fuck](#) common [Fuck](#) due [Fuck](#) to [Fuck](#) sedentary [Fuck](#) living [Fuck](#) conditions [Fuck](#) and [Fuck](#) negativities [Fuck](#) brought [Fuck](#) by [Fuck](#) modern [Fuck](#) life [Fuck](#) Pubic [Fuck](#) liposuction [Fuck](#) is [Fuck](#) a [Fuck](#) method [Fuck](#) that [Fuck](#) can [Fuck](#) be [Fuck](#) performed [Fuck](#) with [Fuck](#) the [Fuck](#) help [Fuck](#) of [Fuck](#) a [Fuck](#) small [Fuck](#)

needle. When combined with other methods, it helps to provide cm of extra elongation of the penis. Suprapubic V-Y Plasty. It is not usually applied alone but must be applied with combination treatments. V-Y plasty is based on suturing the V incision on the skin above the penis in a Y shape. It moves the starting point of the penis about cm forward. Thus, it contributes to the appearance of the penis longer. Scrotal Web Excision. The lower part of the penis is adjacent to the sac that surrounds the

testicles called the scrotum. In some patients, there is a ligament between these two parts. Cutting this ligament with an easy surgical procedure allows the lower part of the penis to be released and appear larger. Penis Thickening Methods. As we mentioned in the first part of our article, penis thickness has a more important place for an adequate sexual life. Our clinical experience on cases performed in our clinic shows us that patient satisfaction is higher when penis enlargement surgeries are combined with

thickening surgeries. If we examine the penis thickening techniques, Fat Injection. It is the most commonly used penile thickening method today. The procedure is a fat grafting procedure. In other words, fat tissues are taken from the abdomen, thinned, and injected under the skin of the penis. Fat injection brings some problems. Structural Deformity. The penis is a mobile organ. Movements of the penis in the
